"This is a sweet book of a man's love for his mentor. It has a stubborn honesty that nourishes the living."

——Robert Bly, author of *Iron John*

"A deeply moving account of courage and wisdom, shared by an inveterate mentor looking into the multitextured face of his own death. There is much to be learned by sitting in on this final class."

"All of the saints and Buddhas have taught us that wisdom and compassion are one. Now along comes Morrie, who makes it perfectly plain. His living and dying show us the way."
